APB Metolis River Field Day at the Pelton Complex with PGE

PGE will be hosting APB for a “Metolius River Field Day.” The fish facilities will be shut down for annual maintenance and this will also be Covid-friendly as its outdoors. This will include a presentation by PGE about current fish research in the Metolius River and reintroduction of Chinook and sockeye. Folks will be split into groups to fan out along the Metolius with instructions to look for spawning (or spawned out) sockeye and Chinook. PGE also mentioned prizes?!?! The day will include a nice hike and seeing spawning kokanee. Folks are welcome to bring waders, boots, and polarized glasses to help with the hunt but for anyone traveling without gear, folks can also participate from the bank.

Details on timeframes are forthcoming but we’ll aim to be back around 4:00 pm so folks can freshen up prior to banquet.

Evening Social Banquet at Mount Bachelor Village Resort, Even Center West, Winter’s Hope Room

Banquet starts at 6pm and ends at 10:30pm. Quiet time at the resort begins at 11pm. Dinner includes chicken and steak options with a seasonal vegetable side dish, chef salad, local beer and wine and a sundae bar for dessert (in Rachael’s opinion, the sundae bar is best part)!

During the banquet, APB Vice President Maggie David will announce the bowling tournament winner and present the award.

Presentations and New Membership

If you would like to be a presenter at the 2021 APB Annual Meeting, please start thinking about topics to present. We encourage existing and potential members to step forward to discuss topics relevant to utility relicensing and compliance, lessons learned, success stories, case studies, and challenges. APB members would love to hear about your successes (and failures!). If you are interested in presenting, please contact the officers Rachael Poston, Maggie David and Gregg Garnett with questions or to provide your presentation title. Expect presentations to be about 15-20 minutes long, which includes time for questions.

New members are encouraged to apply and are welcome to attend the 2021 APB Annual Meeting. An application and membership requirements are appended to this announcement. Application forms can be found on the APB website at https://powerbiologists.org/include/pdf/APB_ApplicationForm.pdf. New member applications can be mailed to Gregg Garnett, APB Secretary at garnettgregg@gmail.com.
